

Tuesday TALKS

SECHELT LIBRARY

At the Library

1:30pm-3:00pm

Oct 10 | "The Union of ART & Math – The Original Fractal Snowflake" by Mary A., BSc. (physics), all the way from Edmonton, Alberta. Mary has 15 years of creative art/craft/math experience. Educating math students about fractals, making and selling her unique and beautiful paper fractal snowflakes. She will share her passion for snowflakes and fractals.

Oct 17 | Grandmothers and GrandOthers on the Sunshine Coast. SC Grandmothers and GrandOthers support the Stephen Lewis Foundation by raising awareness and funds to help grandmothers in sub-Saharan Africa who are raising grandchildren and other children orphaned due to the AIDS pandemic.

Oct 24 | FAKE News – Believe It or Not! With Sean Eckford from the Coast Reporter and Sechelt Library staff members. In this world of FAKE News it's difficult to know what to believe.

Oct 31 | Bringing Death Home – Reclaiming Choice, Care & Ceremony with Penny Allport, Certified Life-Cycle Celebrant & Metaphysical Minister. Penny will share stories of sitting with those dying and how to make the experience meaningful.

Registration required. Call or drop by the Library
