

The Arc of Love:

Love & Relationships Over a Life Span

Dr. Spencer Wade is dual registered as a psychologist and a nurse. He is an experience practitioner, university educator, health care manager. Much of his 40 years in health care, focuses on assisting individuals and their families to meet the challenges of living with the impact of trauma or a life threatening illness.

What is Love?

Is Love an emotion?

What does Love look like at different stages of life?

Find out more in this interactive discussion with psychologist Dr. Spencer Wade.
