

# ADOBE DIGITAL EDITIONS

Adobe Digital Editions (ADE) is free software that lets you add eBooks to your Kobo eReader from your library

## HOW TO INSTALL ADOBE DIGITAL EDITIONS

1. Visit [www.adobe.com/support/digitaleditions/downloads.html](http://www.adobe.com/support/digitaleditions/downloads.html)
2. Download the setup file.  
If you have a Mac, click **Macintosh**  
If you have a PC, click **Windows**
5. Find the ADE installation file on your computer
6. Open the ADE installation file
7. Follow the onscreen instructions to install Adobe Digital Editions

## HOW TO CREATE AN ADOBE ID

1. Open Adobe Digital Editions
2. Click **Help** at the top of the screen.
3. Click **Authorize Computer**
4. Beside the eBook Vendor dropdown menu, select **Adobe ID**
5. Click **Create an Adobe ID**
6. Enter your information
7. Click **Create account**

Your Adobe ID is the email address that you used to sign up.  
Your Adobe password is the password you used to create the account.

## HOW TO AUTHORIZE YOUR COMPUTER

*You only need to do this the first time you use Adobe Digital Editions.*

1. Open Adobe Digital Editions
2. Enter your **Adobe ID** and **password**
3. Click **Authorize**
4. Click **OK** when Adobe finishes authorizing your computer.

## HOW TO DOWNLOAD .ACSM BOOKS

1. Visit <https://bse.bc.catalogue.libraries.coop/eg/opac/login>
2. Enter your library card number and pin number  
Your pin number is the last 4 digits of your phone number unless you have changed it
3. Search for the item you would like to check out
4. Click **Check Out E-book** beside the item you want. If the item is currently in use, click **Place Hold on E-book**
5. Choose **Adobe EPUB eBook** in the drop-down menu
6. Click **Checkout**
7. Click **ebook-epub-adobe** in the drop-down menu
8. Click Download

## HOW TO ADD BOOKS TO YOUR EREADER

If you downloaded a book protected by Digital Rights Management (DRM), you'll get a license with your book (a .acsm file)

1. Turn on your eReader
2. Connect your eReader to your computer using a Micro USB cable
3. On your eReader, click **Connect**
4. On your computer, open Adobe Digital Editions
5. Under 'Devices', right-click on **Kobo eReader**
6. Click **Authorize Device**
7. Click **OK** at the confirmation screen
8. Click on **File** at the top of the screen
9. Click **Add to Library**
10. A browse window will appear. Browse for the .acsm file  
On a PC: Click the "**E-Books**" drop-down menu and select **Adobe Content Server Message**  
On a Mac: Click **Options**, then click **ACSM Files**
11. Select the **.acsm file**, then click **Add**
12. The book will open. Click **Library** at the top-left corner of the screen to go back to the ADE home screen
13. Click **All items**
14. Select your new book and drag it to the Kobo eReader bookshelf (listed on the left side under Devices)
15. Eject your eReader and unplug the Micro USB cable
16. The book will appear in your Library.
17. To see the books you added, click the '**My Books**' menu on your eReader.
18. Tap **Filter** at the top of the screen, then select **Imported**. You'll see all the items you've added with Adobe Digital Editions.
